## My Christmas Wish List

*I know you are quite busy, this festive time of year,  
And things get very crazy, as Christmas Eve draws near.*

*So here's a little list - a tiny hint from me,  
To help you find the perfect gift, to put beneath the tree!*

*So go to this nice website and have my list with you,  
There you'll find the perfect gift – they'll even ship it, too!*
